## UKUBONA FOUNDATION FUNDRAISING GOLF DAY

(Vision for Children)

*SWING FOR THEIR VISION*

### *Dear Business Partners, Friends and Esteemed Golfers*

1KR Golf Challenge proudly presents the inaugural **Ukubona Foundation Fundraising Golf Day** under the Theme: Swing for Vision. **Ukubona Foundation (NPC)** was established in 2017 by a group of compassionate and determined women with the aim to be the agents of change that would bring about quality of life to children from under resourced communities in their schooling careers. The Foundation helps to alleviate the challenges of having to go to school and learn when you have visual difficulties and cannot see clearly.

The Ukubona Foundation works in partnership with the St Johns Eye Hospital, Baragwanath, who screen and refer children between the ages of 5 and 14 with high prescriptions to the Foundation for the Foundation to source and donate spectacles. So far the Foundation has donated over 181 spectacles and still counting. It provides services to Children from Soweto, Ekurhuleni and Pretoria. The package consists of Testing, High Prescription lenses, the compression of the lenses, frames, spectacle cases, cloth, lab cut and fit charges.

With this background, we cordially invite you, our business partners, friends and esteemed golfers to join hands with us in achieving our noble objectives by being part of our Fundraising Golf Day. Reasonably priced watering hole sponsorship packages, corporate and social four balls, prizes and more are on offer for your kind consideration and enjoyment. See next page for breakdown.

**Swing For Their Vision**, and together let us empower our future leaders. The question is **“If not us who? If not now, when?”** For more on the Foundation go to: [www.ukubonafoundation.org](http://www.ukubonafoundation.org)
